REGISTRATION, TRANSFERS & REFUNDS

- **Camp Payment option #1**-Pay in full at registration.
- **Camp Payment option #2**- only pay the \$25 non-refundable deposit (per week per camper) at the time of registration and have the balance for each week auto drafted (via a checking account or credit card) on the Wednesday prior to that start of that camp week. You can also log into your Personify account at any time to make payments.
- Campers are eligible to register for camp programs according to the grade they will be entering in the fall. Please contact the camp director prior to registering for if you feel this policy does not fit your child's particular needs and would like to request they be placed in a different grade.
- There are no refunds for camp (except for medical/emergency reasons). A \$25 deposit per week per child will be kept for dropped weeks. If requested in writing (to the camp director) the YMCA will transfer your tuition payment towards other weeks of camp providing you request this one week prior to the start of that (requested) camp week.
- Camp registration will close at 11:59pm on Wednesday for the following camp week. No exceptions to this rule will be made. This is to ensure no group has too many campers per counselor and for the safety of your child.
- Please note that nonattendance does not relieve responsibility of payment.
- Unpaid balances will result in forfeit of roster spot. Any re-registration will include a new deposit; no credits will be applied from unpaid balances.
- Unpaid balances from ANY previous YMCA of Greater Nashua program/service MUST be paid prior to registering for summer camp. No exceptions.

HEALTH/MEDICAL INFORMATION

NH state law requires all campers to have a completed health form on file with the YMCA PRIOR to attending camp. This form requires all immunization dates and a physical exam within 2 years prior to attending camp for children ages 6 and over and must be signed by the attending physician. Campers under age 6 must have yearly exams. Such forms are given by the doctor's office, not the YMCA.

- Forms must be dated after Sep. 1, 2019 for children 6 years and up and dates Sept. 1, 2020 for children 5 years and younger.
- All health forms will be directly uploaded by yourself into your Personify account that you have created. Registration is not complete without these forms being on file for EACH camper.
- Parents/guardians are strongly encouraged to keep a hard copy of their child's health form as well.

Please ensure that the YMCA has the appropriate camp forms on file for your child. These forms are the personal information, parental releases & medical information form and the authorization to administer prescription and non-prescription form (if needed). Registration is not complete without these forms being on file for EACH camper. Prior to your child attending his/her first day of camp it is your responsibility to make sure that we have ALL necessary forms on file. Doing this will ensure there is no interruption to the start of your child's camp experience. You will upload all forms through your Personify account.

If a child requires either a prescription or a non-prescription drug, the parent must send a supply, for each session of camp. Medication MUST be in the original prescription container with the proper name and date.

- Parent/guardian must give medication directly to a member of the senior camp staff if the director is unavailable.
- Children are NOT permitted to carry any form of medication except asthma medication and Epi-Pens and this must be noted on the medical dispensing authorization.
- Parent/guardian is responsible for retrieving their child's medication at the end of their camp sessions. After the summer ALL unclaimed medication will be disposed of.
- A YMCA "medical dispensing authorization" form must be completed and signed when dropping off medication. Medication MUST be in the original prescription container with the child's proper name and date.

CAMPER ILLNESS

A sick child is to be kept home, for their own sake as well as others. State Law requires, if your child has a temperature of over 100.4 ° or is physically sick, the child must be kept out of the program for a minimum of 48 hours after the cessation of symptoms (Example: If a child is sent home with head lice or a fever they must be symptom free for at least 48 hours). If someone will be picking up your child that is NOT on the authorized pickup list (which you fill out at registration) it is your responsibility to communicate this with the camp director as they will be required to show ID before picking up your child. Infection control is practiced.

***Children sent home MUST be symptom free for at least 48 hours before returning to camp unless a doctor's note is submitted allowing them to attend. If your child has a communicable disease, please notify the YMCA/Camp Sargent so other parents can be informed. The camp reserves the right to require a child to see his/her pediatrician at the discretion of the camp director, before returning to camp. Parents/guardians remain responsible for payments in cases of illness or injury.

Two common reasons for being sent home due to contagious illness (but not limited to):

Head Lice: The YMCA will contact the parents of any child who is found to have head lice. That child will be asked to be picked up early and will be allowed to return only after a successful treatment which results in the complete removal of live lice and nits. Upon return to the program, the child's head will be checked by YMCA staff. The YMCA will also inform all other parents of the case of head lice. There will be no compensation for days missed.

Pink Eye: Children with pink eye should stay home from the summer camp program. Children can return to the program 24 hours after treatment has begun.

Covid-19: Children showing any symptoms of Covid-19 must stay home until they are 100% symptom free, or they can provide us with a negative PCR test. Anyone who tests positive, or anyone who has someone in their household who tests positive for COVID-19, must stay home and quarantine for 14 days. **A doctor's note will be required showing the date the camper can return to camp.** If you travel outside of New England, your camper is not allowed to come back to camp until a 10-day quarantine has been completed. Please plan your camp weeks accordingly.

We will be following all state guidelines that are being recommended to us by local health officials, and the CDC to keep our campers and staff healthy and safe all year long! All camp guidelines /safety procedures will be presented, and explained to parents via town halls prior to the start of camp.

INJURIES/FIRST AID

All YMCA staff is certified in CPR and First Aid. Also, every staff member is informed of the policies and procedures to follow in case of an injury or illness. If your child is injured, the staff will take the necessary steps to obtain emergency care. These steps include, but are not limited to:

- Attempts to contact a parent/guardian.
- Attempts to contact a parent/guardian through any of the persons listed on the emergency information form you completed at the time of registration.
- If we cannot contact you, or in emergency, we will call an ambulance (911), and have the child taken to an emergency room in the company of a YMCA staff member. Southern NH Medical Center will be used in most instances unless otherwise requested.
- On ALL field trips, a copy of each camper's medical history, permission to provide treatment and emergency care, insurance information and prescription medication is taken with the group.

BEHAVIOR MANAGEMENT POLICY

The YMCA of Greater Nashua's camp's advocate a positive guidance and discipline policy with an emphasis on positive reinforcement, redirection, prevention, and the development of self-discipline. Our staff reminds campers that camp rules are established for safety and to ensure that we have a common standard of behavior. Corrective discipline is done in a creative, caring effort on the part of the counselor, and it must be seen as such by the camper. Our staff always suggests positive alternatives to unacceptable behavior before it gets out of control. Some examples are (but not limited to):

- Discussing rules with campers and identify out-of-bounds areas.
- Discussing the possible consequences of breaking any rule:
- Restriction from activity
- Extra duties
- Conference with director
- Conference with parent/director
- Removal from the camp

Our staff enforces all rules at all times, without malice, and is consistent in application. Our staff never allows discipline to include depriving a camper of food, restroom privileges, placing a camper alone without supervision, or subjecting a camper to ridicule, shaming, threats, corporal punishment (striking, biting, kicking, squeezing etc), and washing out the mouth, physical exercise or restraint. A positive experience and safety is our primary concern. Physical/Mental abuse is not tolerated. At the discretion of the supervisory camp staff a child (children) may be asked to leave camp. Your camp director reserves the right to remove a camper from camp at any time due to behavior. Verbally abusive behavior by any parent/guardian will not be tolerated and will result in removal of camp and (if applicable) potentially having Y membership canceled. The Camp Director reserves the right to remove any camper if their parent/guardian acts in this manner.

If the YMCA of Greater Nashua staff has reason to believe that a camper is being abused at home it is our duty to inform authorities. If this should happen, our intent is to simply protect the safety and wellbeing of the child, nothing else.

Consumption and or possession of alcohol, smoking or chewing tobacco, firearms, knife, animals (any size/any kind) anywhere on property is strictly prohibited.

At Camp Sargent events where friends and family members are invited to participate in activities (example: Family Night/Carnival, end of the year family BBQ) it is important to remember they are invited guests of the parents/guardians of Camp Sargent campers. Their actions can be detrimental to the camper's enrollment status. ALL guests of the camper are expected to adhere to ALL policies set forth in this agreement.

SEVERE WEATHER (Camp Sargent)

Campers are taken to areas with cover should there be heavy rain and or thunder or lightening. Campers stay under cover for ½ hour after any sign of thunder or lightening. Whether board games, skits, songs or anything else the group chooses, your children are always safe!

LATE PICKUP FEES

Late fees begin at the close of the camp day (4:15pm) or at the close of Post Camp (6:00pm) depending what your child is registered for, for the particular week:

1. \$10.00 for pickup within the first 10 minutes and an additional \$1.00 per minute past the initial 10 minutes.
2. ALL late fees are payable within 24 hours of charge. If not paid within 24 hours this fee will be applied to your account as an outstanding balance and may result in your child's termination of enrollment if not paid within a reasonable amount of time. Unpaid balances will result in forfeit of roster spot. Any re-registration will include a new deposit; no credits will be applied from unpaid balances.

CAMP VISITORS

At this time due to the COVID-19 pandemic we are not allowing visitors onto camp property. This is for the protection of all of our campers, and staff. Thank you for understanding.

SIGN IN/SIGN OUT & AUTHORIZED PICK UP

It is the responsibility of the parent/guardian to have their child signed in and out of camp daily by an adult. Counselors will be responsible for dismissing all campers properly:

- Parent or authorized pick-up person (name must be on "authorized pick-up" list).
- Post camp (if child is registered).

Anyone picking up a child should be prepared to show a driver's license or photo ID **EVERY DAY**. This is for the safety of your child. Only the legal guardian can update the "authorized pick-up" list for their child (in person, not over the phone, email or a written letter). If a camper is to be picked up early, a written note must be given to the camp director or a senior staff member that morning. Indicate the time of the pickup and by whom (name MUST be on "authorized pick-up" list). Without prior notice, it can take some time to bring your child to you. If there is someone new that is picking up your child they must be added to the pickup list.

No person (including Parent/Guardian) appearing to be intoxicated or under the influence of drugs may remove a child from camp. The YMCA of Greater Nashua's camp's reserves the right to consult authorities and/or suggest alternative transportation.

Pick-up and drop off will happen by drive thru. You will pull up in the drive through lanes, and your camper will get out or in your vehicle. We ask that all individuals dropping off and picking up please stay inside their vehicles at all times.

Campers are ONLY released to individuals who are on the "authorized pick-up" list/roster. It is imperative that you put any and all names, phone numbers and relationship to camper on this list that may pick your child at the time of registration. You will add these names in your Personify account. If you have someone coming to pick up your child that is not on his or her pick up list, it is your responsibility to communicate with senior level staff. Faxes, emails or phone calls will not be accepted to do this as we cannot identify that it is in fact you putting

them on this list. Photo ID is required at the time of pick up. Please inform anyone who does not normally pick up your child that they must be on the list AND they must have a photo ID with them or your child will not be released to them.

FINANCIAL ASSISTANCE

Our goal is to provide as many summer day camp experiences as possible. Each year the number of families in need grows. We will make every attempt to assist families with registering their children for one of our camps. Eligibility is based on financial need and requires completion of a Y Cares application and proof of income. Applications will be available beginning in January at the Welcome Centers. Completed applications will be accepted beginning January. Financial assistance will be awarded on a first come first serve basis. There is limited funding so get your application in early. Award letters will be mailed out within two weeks of receipt of the application. Camp registration forms will not be accepted without an award letter AND a \$25 deposit per week per child. Financial assistance has been made available through the generous contributions of YMCA friends.

INTERNET AND SOCIAL NETWORKING SITES

Among other policies and rules that every staff person must sign prior to their first day at camp, one of them is "I understand that I am responsible for ANY pictures, videos and content that I post on any social networking website. Furthermore, I understand that "socializing" with any camper and or parent is prohibited as my actions/content represents the YMCA of Greater Nashua while I am employed by it." We ask that parents refrain from electronically communicating with any staff member. Please speak with your child about not electronically communicating with any staff member too. Often time's campers don't understand the difference between their relationship with their counselor at camp and what "time off" means to our staff, out of camp. To avoid any potential issues we ask that internet communications not be done between staff, campers and or parents. Thank you for your attention to this matter.

VIDEO/PHOTOGRAPHS

As a participant in any YMCA program, your picture or that of your child may be taken and used for YMCA promotional materials. Please contact the camp director if you do not want either yourself or your child to be videoed/photographed. At times, there may be media at one of our sites taking video, photographs and or interviews of campers and or staff for a magazine/newspaper article. If you do not wish to have your child participate please notify the camp director at the start of the summer camp season.

PARENT COMMUNICATION

Upcoming events and other important information that parents need to know about at camp will be communicated via email, and/or the camp Facebook page. Please "like" the Facebook page so you can be kept up to date. Please read and act upon such parent notifications.

STAFF/CAMPER RATIOS & SUPERVISION (UP TO)

3 year old day campers	1:6
4 year old campers	1:8
5-year-old day campers	1:10
6- to 8-year-old day campers	1:15
9- to 14-year-old day campers	1:15
15- to 17-year-old day campers	1:15

There are always two staff members with a group of campers unless they are in an area near the main lodge or within eye sight or ear shout of another staff member or where other groups are and have easy accessibility to get help in the event of an emergency. Please note that during the hours of pre/post camp the ratios above are not followed but will not go outside of the state ratio of 1:15.

When at all possible, groups will be supervised by a minimum of two staff members.

In the event of an emergency when the ratios may not be met, staff is trained to use their best judgment. The utilization of older campers and walkie talkies is used when necessary and or available.

All staff is expected to supervise and instruct campers while on duty. This means that campers are number one and should be attended to during that time. Prior to camp, staff is given a detailed job description, sign a code of conduct/agreement and go through a rigorous training* which takes place over the course of a few days.

*Staff hired after camp has begun and do not partake in the pre-camp training are hired based on prior (related) "field experience" in the area of camp, supervision skills and understanding.

LAST TWO WEEKS OF CAMP

Because some of our staff are in college and/or have professional jobs during the non-summer months, we may not be able to guarantee that all campers will have the opportunity to participate in each activity that week.

Because staffing is sometimes lower during the last two weeks of camp and in order to stay within our staff to camper ratio (1:15) registration may close prior to 11:59pm on Wednesday before the last two weeks of camp. You are encouraged to register as early as possible to ensure a spot on the roster.

PRE & POST CAMP

If you have registered for Pre Camp (7am-9am) and Post camp (4pm-6pm) a \$10 deposit will be taken at the time of registration per week. The final balance will be automatically drafted on the Wednesday prior to that start of that camp week.

LUNCH, SNACK & BEVERAGES

Each camper should bring to camp daily a water bottle, non-refrigerated lunch and at least two healthy snacks. Please do not send and foods that need to be microwaved. Please do not give your child gum, soda, lollipops or any other candy to bring to camp.

WHAT TO PACK

- Extra pair of socks
- Closed toed shoes
- Sandals or water shoes (during boating and swimming only)
- Sun block
- Bug spray
- Bathing suit
- Towel
- Water bottle
- Lunch (PEANUT FREE) (which does not have to be heated)
- Two healthy snacks (PEANUT FREE)
- Face Mask

WHAT NOT TO PACK

- Any electronic device
- Money
- Toys
- Family heirlooms/personal keepsakes
- Real or replica firearms/weapons are never permitted on camp property.
- Anything that you don't mind **not** coming back home should it get lost or stolen.

PERSONAL PROPERTY

The YMCA of Greater Nashua does not assume any responsibility for lost or damaged personal property. This may include (but not limited to): toys, playing cards, sports equipment, automobiles, bicycles, electronics, food/drink etc. Any medication/personal belongings remaining at camp after the last day will be disposed of, if not picked up or arrangements made to pick it up.

Consumption and or possession of alcohol, smoking or chewing tobacco, firearms, knife, animals (any size/any kind) anywhere on property is strictly prohibited.

LOST & FOUND

Due to the COVID-19 Pandemic there will be no lost and found this year. Anything we find at camp will be kept for the following day, and then disposed of.

SUNBLOCK/HYDRATION/BUG REPELLENT

Parents should provide their child with sun block and bug repellent. Sunscreen should be applied to your child prior to drop off. Throughout the day, your child's counselor will remind your child to apply reapply sunscreen. It is the child's responsibility to apply their own sunscreen. If your child is particularly sensitive to the sun, a hat may also be appropriate. In this case, please remind your child to keep his/her hat on throughout the day. Water bubblers are available at each camp location so only one water bottle is needed.
